We will get to visit Bucksburn Library to look at books. It is a community library which means that sometimes members of the public can use it too.

I might get to go to the soft play or sensory room.

I might also get the chance to go out on the bikes

or trikes (if I am still learning to ride two wheels).

We also get to go on minibus outings. We might go out for walks, go to the shops and visit to different places.

We have two playgrounds for break times.
The small playground

And the big playground

We always have support staff there to help.
If it is raining we stay inside in the ASN classrooms.

We go to the dining hall to eat our lunch. Pupils with school dinners and packed lunches sit together.

I will use an Accord Card to pay for my lunch.
There are different queues for hot meals and cold meals.
