

24<sup>th</sup> June 2020

Dear Parent/Carer

**23 June 2020 Parental Letter Re-opening of Schools August 2020**

Dear Parent/Carer

Yesterday, John Swinney, the Depute First Minister (DFM), made a statement in Parliament which detailed the ambition of The Scottish Government for all children and young people to return to school full-time in August 2020 (include link). The DFM stressed that it is an aim which the Government is now working towards but it “remains conditional and dependent upon ongoing scientific and health advice.”

As you know, we have been working on a school recovery plan which details arrangements made for ‘blended learning’, this plan will now act as our Contingency Plan. The Plan details all of the arrangements made to ensure physical distancing and how children will access in-school learning if we are asked to deliver education in this way in August. We now know this contingency plan will only be enacted if the scientific and health advice states that it is unsafe for young people and staff to return to school full-time.

The Scottish Government has now established a sub-group of the COVID19 Advisory Group to focus exclusively on education and children’s issues. The purpose of this group is to provide advice which will support schools to return on a full-time basis in August. The DFM stated “I would expect that various conditions would need to be in place.” Given that we await further guidance, we cannot issue our school recovery plan at present. We will need to check this against the updated guidance.

Please be assured that I will keep you well informed and continue to provide you with key updates.

Please take care and stay safe.

Yours faithfully,

**Mike Paul**  
Head Teacher
